CHAMPIONSHIP**

NOVEMBER 17

**FLORIDA YOUTH
CHAMPIONSHIP**

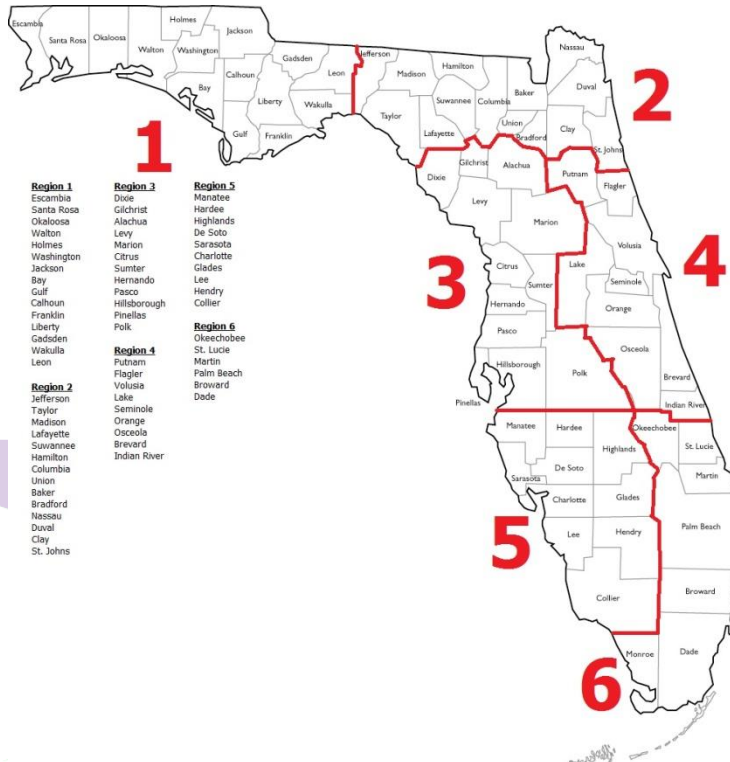

NOVEMBER 17

Rules of Competition

1. We will have two divisions, School based division and a club based division. Single runners (Unattached) will compete in the Club division
 - 1.1. School based teams will consist of individuals that all attend the same school.
 - 1.1.1. Each runner that participates for a school based team must have some proof of school attendance. Report card, school photo I.D., etc.
 - 1.2. Club based teams will consist of individuals that are made up of athletes that come from anywhere. Teams consisting of home schooled athletes will be considered a club team.
 - 1.2.1. Clubs can be either AAU or USATF sanctioned teams.
2. Middle School teams can be made up of 6th-8th graders unless the middle school includes 5th grade.
 - 2.1. The maximum age an athlete can be in the middle school division is 15 years old. If an athlete turns 16 before the state meet they will be ineligible.
3. Elementary School teams can be made up of K-5th graders.
 - 3.1. The maximum age an athlete can be in the elementary school division is 11 years old. If an athlete turns 12 before the state meet they will be ineligible.
4. Teams must have matching uniforms. If the manufacture changes the design from one year to the next and you have to order more uniforms, make them as close as possible to the previous year's uniforms. Having half of your team in blue singlet's and the other half in black is what we are trying to avoid.
 - 4.1. Undergarments do not have to match but it is preferred as that is a requirement when the athletes get to high school.
 - 4.2. Unattached runners must wear a uniform either singlet or compression singlet. For girls just a sports bra is not acceptable and for boys, shirtless is not permitted.
 - 4.3. Jewelry is allowed but highly suggested to leave at home. Prescription glasses and sunglasses are allowed.
5. During regular season events teams can be unlimited in size. Only five will score with two displacers
 - 5.1. Meet directors can limit the size of teams during the regular season at their discretion.
6. For regional qualifiers and the state meet, teams can only run ten athletes per team with a minimum of five. Five score and two displacers at regional and state.
 - 6.1 Teams may enter B teams at regionals to qualify for state.
 - 6.1.1 If entering an A & B team, teams must remain consistent from regionals to state
7. First week of competition is the last week in August.
8. Regional qualifiers will be held the week of October 31st- November 3rd. (The same week as the FHSAA Regions).
 - 8.1. If the middle school age athletes are participating in the FHSAA series (specifically Regionals) for their school, they are exempt from having to run in the middle school regional race.
 - 8.2. To advance to the state meet athletes must finish.
 - 8.3. There will be six regional meets across the state. Each year six host will be sought out, if you are interested in hosting please e-mail dusty@b3rsports.com.

8.4. You must run in your assigned region, the only exception is if your county touches the dividing line you may run in the region closest to you. Example: Alachua is in Region 3, if the host for Region 3 is in Polk County but the host for Region 2 is in Columbia County. Alachua borders Region 2 and Columbia would be a shorter distance traveled. Therefore Alachua could participate in Region 2 instead of Region 3.

Awards

To follow the conclusion of the final race.

10. Individuals on teams and unattached individuals must compete in a minimal of three sanctioned races to be eligible to run at the regional qualifier. Coaches if you feel an athlete from another team did not compete in the minimal number of meets you will need to file a formal protest and e-mail it to dusty@b3rsports.com no later than Monday the week of the regional (See page 5). Coaches you must be able to provide results (paper or online) with proof that your athlete competed in three sanctioned regular season events. This rule is in place to help build participation across the state. If an athlete competes in a minimum of three events they should be able to run the regional without walking.

11. Sanctioned events.

- 11.1. Events must be timed by a professional timing company. If you would like to be added to the list of timers please e-mail request to dusty@b3rsports.com
- 11.2. Results must be e-mailed in to dusty@b3rsports.com within four days after the completion of the event. Results must be in Hytek zipped file (preferred) or html format
- 11.3. Event host must provide their own insurance for events.
- 11.4. Event host will receive information on the middle school regional and state championships. Please put this material in coach's packets and have available for parents as well.

12. Race distances

- 12.1. Middle school distance should measure 3000 meters (3k) to 3200 meters (2 miles). The state meet will be 3000 meters.
- 12.2. Elementary distance should measure 1600meters (1mile) to 2000 meters (2k). The state meet will be 2000 meters.

Protest Information

To file a formal protest please e-mail the following information to dusty@b3rsports.com

- Name of coach filing protest
- First & last name of athlete in question
- School or Club of athlete in question
- Grade of athlete in question
- Coaches name of athlete in question

We (Dusty Smith or Dan Epstein) will call/ e-mail the coach or parent of the athlete in question to have them verify the results from the three events the athlete competed in. Should the protest not be resolved by the Regional, the athlete will be allowed to run under protest! If the athlete is found to have not competed in the minimal three events then they will be disqualified from the regional and their time will be removed from the results. We will inform the coach who filed the complaint the results of our findings as soon as we have reached our conclusion.

Please keep in mind this series is made to encourage participation across the state in grades K-8th. We are not seeking out to disqualify anyone. We do encourage the clubs & teams to follow the few rules we have set out for the betterment of the sport of cross country.
