

Welcome to the Chiefland RC Raceway!

In doing that we will have a few guide lines. The main guideline is having fun, this is not NASCAR and we are not racing for millions of dollars. This should be fun for both kids and adults. We ask that there be NO FOUL LANGUAGE, no use of alcohol or tobacco products and because we have a child with severe peanut allergies no peanuts of any kind on the property. We will have practice nights on Thursday nights the same week as the events. These will be posted on Facebook & our website so everyone will know the dates of the events. Please do not come onto the property if it is not an event or practice night unless you have called and received permission by Dusty.

We hope to continue to build a better facility for everyone to come enjoy, there will be times that we will need volunteers to come out and help with the upgrades.

Thanks, Dusty Smith
