

Coaches Information for the Florida Horse Park Invitational

Coaches please look over all the information for this weekend's XC meet.

-Address Florida Horse Park 11008 S Hwy 475, Ocala, FL 34480 (If you google search Florida Horse Park it will take you to the wrong entrance)

-Parking: Buses, when coming in the entrance you will immediately turn left and follow the road around. We will have parking attendants assist you. 15 passenger vans and school vans clearly marked; you can also make a left-hand turn when turning in. If a coach is driving separately in a personal vehicle, please turn right after you enter the park, if you have your FHSAA coaches' card have it out so you will not get charged to park. If you pick up your packet Friday, I can give you a parking pass so you will not have to pay. If you do not have a coach's card, please pay for parking and when you pick up your packet ask for reimbursement. I am sorry to ask you to do this but every year we have a lot of people saying they are coaches when they are not to get out of paying for parking. The people collecting money at parking are also volunteers just doing what they have been asked to do.

-Packet Pick up will be at the lime green trailer in the front door located beside the finish line.

-Timing provided by Half-Mile Timing. We will be using chips; you will need to check them out and check them back in before you leave. A lost chip is \$20 to replace, we would like the chip back not the money so please do not leave with them. This will be at the lime green trailer where you pick up your packet. Please bring your chips back in the zip lock bags. Bib numbers must be worn on the front of the jersey. You will be disqualified for wearing the bib number anywhere else but on the front of the jersey! Club teams, girls must wear a jersey, do not run in just a sports bra!

-Waiver: Each team needs to have a waiver signed. I only need 1 waiver signed by the head coach of each boys' team and each girls team. If you are the head coach of both then 1 waiver for both will be fine. You can find the waiver by clicking this link: <http://b3rsports.com/wp-content/uploads/2020/07/2020-B3R-Sports-Waiver-FHP.pdf> I only need the signed 2nd page. I will have a few extra on hand should you forget. But I cannot give you your packet without you signing a waiver.

-Races: The Varsity FHSAA races you can run up to 10 athletes, just because you can run 10 does not mean you should. We will pull any runners off the course should they get caught by the race behind them for the first two FHSAA Varsity races. If they cannot run under 25 minutes for boys 30 for girls, they should be in the JV race! For the High School club race, you can run unlimited runners since we do not have a JV Club race. We will do our best to hold off the middle school races so that they do not mix. However, if your athlete runs over 30 minutes please understand they may get caught by the next race.

Starting Boxes: Starting boxes are first come first serve. For the start, please let a parent or assistant coach stand in the team box. In the starting cone is where we would like teams to hangout before the start of the race. Do your strides toward the first turn and stretching and normal team rituals on the wide open starting cone area. The starter will announce 1 minute till the start. Then your team needs to immediately head to the starting line. The boxes will only be wide enough for 2 maybe 3 bodies per team on the line. Please stack your additional athletes behind those front 2-3. There will be space between each box on the starting line. The starting process will happen quickly so please let your athletes know to be ready to go. NO RUNOUTS once the team is on the line.

-Team camps will be in the fenced in area located near the start and finish. Please do not set up tents outside of the team tent area so we can keep the field clear for spectator viewing. Please keep the team tent areas spread as far apart as possible. There is plenty of room to spread out.

-Mile Markers will have clocks running and we will have 13' tall towers to mark the mile markers. Meters will be marked as well.

-Trainer: We will have a trainer onsite. The trainer is only there in case of an emergency. Emergencies would be a heat related issue, broken bone, or something the AED would be needed for. We will have ice only for broken bones and or heat related issues.

-Water: We normally have a big cooling fan and water at the finish. This year we will NOT hand out any water! Coaches and your athletes are in charge of bringing your own team water cooler and athletes bringing their own water bottles. AGAIN, WE WILL NOT PROVIDE ANY WATER!

Awards: 30 minutes after the race is complete (FHSAA Rule 30-minute Protest period) we will announce the top 10 athletes can come get their awards under the white tent. We will hand them out individually and take a quick picture in front of our B3R Sports banner under the tent. Team awards, we will call for the coach of the top 2 teams to come get their team award. If the coach chooses to bring their team then we will take a team photo in front of the B3R Sports Banner. This is the coaches and his team's choice.
