-Half-Mile Timing will be timing, you can pick up your packets with bib numbers and timing chips under the pavilion. You will return the timing chips back to the pavilion after the event. Any missing chips after the event will cost you \$20 per chip and will be billed to your school. We do not want to charge you any money we just want the chips returned.

-The course map you will need to print out before the meet. That can be found on the event page under the Course Map icon.

-Results will be on <http://b3rsports.com/2021-fhsaa-1a-district-3/>

- Awards will follow the completion of the boy's race.

-Team tent areas: There is plenty of room to spread out. Please do not put your tent right next to the course. The Course is clearly marked in the park.

-We will have ice in case of an emergency, shin splints are not considered an emergency and we will not be wrapping any athletes after the races. If your athletes are used to this, you will need to bring your schools trainer with you.

-Tommie Turner will be our FHSAA starter, if there is a rules question please ask him first. Dusty Smith will be the Meet Official. Any rules questions will need to be directed towards those to individuals.

-For any timing issues please find Dusty or Tommie. Have your discrepancy written down so they can hand it to the timer. Once the timer has evaluated the discrepancy Tommie or Dusty will let you know the outcome.

-Advancement from District to Regionals; top 8 teams and top 3 individuals not on a team will advance on. FHSAA Rule 4.5.2.3.4

4.5.2.3.1 Teams. A team shall be composed of five (5) to ten (10) runners during the district round and five (5) to seven (7) runners during succeeding rounds. Schools that enter fewer than five (5) runners, and schools from which fewer than five (5) runners finish the race, at any Florida High School State Championship Series meet shall not be eligible for team honors. Individual contestants from such schools, however, may earn individual awards.
