**Coaches Parking Passes through GoFan**

I will be sending one coach ticket per gender to the coaches I have on file. This will keep you from having to pay when you get in. Please do not share these with your parents and then try to get in by saying you are a coach. This is my only way to distinguish between coaches and parents for my volunteer's collecting money.

-Team tent areas: There is plenty of room to spread out. Please do not put your tent right next to the course. The Course is clearly marked in the park.

-We will have ice in case of an emergency, shin splints are not considered an emergency, and we will not be wrapping any athletes after the races. If your athletes are used to this, you will need to bring your schools trainer with you.

-Ron Norris/Tommie Turner will be our FHSAA starter & Meet Official. Any questions about a rule will need to go to either of those two individuals.

-For any timing issues please find Ron or Tommie. Have your discrepancy written down so they can hand it to the timer. Once the timer has evaluated the discrepancy Tommie or Ron will let you know the outcome.

4.5.2.2.4 Advancement of Teams and Individuals (a) District Meet to Regional Meet. The first eight (8) placing teams and the top four (4) placing individuals who are not members of an advancing team shall advance to the regional meet. A "team" is defined as having five (5) or more runners on the starting line and competing. A runner who qualifies as a member of a qualifying team may be replaced in the team lineup [regional meet/Florida High School State Championship Series] by a substitute. The substitute, however, shall not be eligible for individual honors on any subsequent level of competition.

Please sign this page and bring it with you when picking up your packet so you do not have to attend the coaches meeting. We only need the signed second page not the first page.
